“The Case Family and Boys & Girls Clubs of Broward County have lifted a huge weight off of my shoulders.” - Marvin

LETTER FROM THE CASE FAMILY

Thank you for your contributions over the last year to the Rick Case Educational Scholarship Fund. We are proud to share with you our class of 2023 and their achievements.

This fund raises money to support the tuition expense needed for Boys & Girls Clubs members who graduate from high school and apply to a vocational school. The goal for the fund is to be “for good, forever” so only the investment income will be granted.

each year, Rick Case Automotive Group is funding the first few years while the investment fund grows. Please commit to an annual donation in Rick’s memory to supporting and growing this scholarship fund. The more we raise the more graduates we can support.

As a family we are committed to higher education for our member graduates and thank you for your commitment and your support to Rick’s legacy mission.

Rita, Ryan and Raquel
