All proceeds from this fun, annual tournament benefit Boys & Girls Clubs of Broward County. Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring and responsible citizens. Thousands of children take part in our core programs at all 18 of our Clubs. The fee for caregivers to send a child to BGCBC is only \$15 per year. However, with the full cost to send one child at almost \$2,791, events like our Annual Golf Tournament help offset the costs so we can give our children a chance at a positive life. By focusing on academic success, healthy lifestyles and teaching them to have a good character, we plant seeds for them to lead successful lives.
